

# Farm Permits

(Automatic and Semi-automatic farms)

## Table of Contents

Crop Farms .....	1
Animal and Mob Farms .....	4
Resource Farms .....	6
Fishing Farms .....	8
Other Farms .....	8

## Navigation Guide

*Each farm on the list has a base price next to it, and underneath, you'll find details about the specific resources that farm can produce. Some of these resources have their own separate prices. If you plan to build a farm that produces any of these listed resources, the permit cost will change to match the price of that specific resource. For example:*

### **14. Nether Mob Farms - 80 Iron Coins**

- Coal
- Ghast Tears - 30 Iron Coins
- Magma Cream - 20 Iron Coins
- Gold Nuggets

*So, if you're building a Nether Mob Farm to produce Ghast Tears, the permit cost would be 30 Iron Coins instead of the base 80 Iron Coins. Make sure to check the resource prices before applying for your permit!*
